We appreciate it's a long way to travel for many people, takes time, and money, so if there's anything we can do, let us know - we're genuinely happy to help if we can :)

Agenda

We'll update this in the future, but here's the details for now:

The Wedding reception is happening on 12th June 2026 at 14:00pm-22:30pm at Brent House Restaurant, TA9 4HL.

We're sure to drink some drinks, eat some food and generally have a good time.

Accomodation and transport

Brent House is in the Somerset countryside, situated on the A38, just off the M5. The best place to stay the night is one of the nearest towns, Weston-super-mare. It has lots of old B&Bs, seaside hotels and even a Premier inn - I've listed some of these places a little further down the page.

Weston has a train station with good connections. Getting to Brent House from Weston is only practically possible by car - it's about a 13min journey. Weston has a local taxi service, [Apple Taxis](#) that might be helpful. And there's plenty of parking at Brent House available for everyone!

Here's a list of places you might want to stay in Weston:

- [Travel Lodge](#)
- Premier Inns:
 - [one by the beach](#);
 - [one by a really great leisure centre](#).
- There are also lots of B&Bs and Sea-side hotels you can find online too!

Alternative location outside of Weston:

- [The Grange Brent Knoll](#) - This is in the nearest accommodation to Brent house and also situated on the A38 about 0.6 miles from Brent House. Possible to walk (about 15 mins) but probably best to organise a taxi.
 - [The Fox & Goose](#) - This is also in the countryside about 1 mile from Brent House situated on the A38. Some family members have been known to walk to Brent House from there in the past, but it's not for the faint hearted.

Things to do in Somerset

Weston has a nice beach with some family activities, including adventure playgrounds and the [Grand Pier](#).

Weston has an interesting local [historical museum](#) near the town centre. There's also a cool [helicopter museum](#) further out of town.

There are some nice routes for walks in nature in Weston: you might want to check out Sandbay, Uphill Castle, and Worlebury Woods.

There is also the nearby village of [Cheddar](#), home of the [famous cheese](#). It's got some really beautiful places to walk to.

There's a great sports facility centre in Weston called [Hutton Moor](#). It's got a nice gym, lots of facilities for racket sports and a big swimming pool.

Gifts

We genuinely just want our guests to be with us, on the day, to celebrate, so please do not feel obligated to give us any form of gift. However, if you do contribute a gift, we would be honoured, and that would be warmly received. On the day, we

will have physical [Red Envelopes](#) as a means to accept cash or cheques, as is tradition in Taiwan.
